SMOKE & FIRE ALARM PROGRAM LIABILITY RELEASE FORM

I understand and agree that Canyon Lake Fire / EMS is providing a free smoke and fire alarm as a public service in the interest of encouraging safety and helping to prevent loss of life as a result of fire. I understand Canyon Lake Fire / EMS, their agents, affiliates, partners, or representatives are not sellers, manufacturers, or dealers of smoke alarms and does not warranty, guarantee, certify, or endorse this or any brand of smoke alarm.

I verify that the smoke alarm provided is in working condition at this time and that I have received, read and understand the manufacturer's Smoke Alarm User's Guide. I understand and accept the responsibility for inspecting and maintaining the smoke alarm in accordance with the manufacturer's instructions including checking each alarm unit weekly for proper operation as recommended in the Smoke Alarm User's Guide. I further understand that in order for the smoke alarm to be effective I need to replace the batteries and install as specified by the manufacturer. As the owner I am responsible for providing the batteries as well as any other necessary maintenance.

I understand that having only one smoke alarm in my home does not give me a level of protection that is considered adequate according to the newest standards or provide the minimal level of protection required by most Building Codes for existing dwellings.

In exchange for accepting a free smoke alarm and / or home inspection I do hereby release and discharge Canyon Lake Fire / EMS and it's officers, agents, and employees from any and all actions, causes of actions, claims, demands, damages, costs or losses arising from the use of the provided smoke alarm and / or home assessment. Therefore, I agree not to make any demand or claim nor file any lawsuit against Canyon Lake Fire / EMS and its officers, agents, and employees in connection with this smoke alarm program/home assessment program.

I have read and understood the above provisions. The terms and provisions of this release are binding on me, my legal representatives, as well as all my successors, assignees, heirs, and estate.
